This application and inspection report must be completed and submitted by mail or in person to your nearest Vehicle Titles and Registration Division (VTR) Regional Office with evidence of ownership and the required \$2 processing fee.

INSPECTION FEE: If the vehicle inspection is conducted by the auto theft unit of a municipal or county law enforcement agency a separate \$40 inspection fee may be charged at the time of inspection. This \$40 inspection fee is waived if the applicant is the current registered owner.

IMPORTANT! If the number which was placed on any vehicle or component part by the manufacturer for identification purposes has been removed, changed, or obliterated and the true identity of such vehicle or part, insofar as ownership is concerned, cannot be established, determination of ownership in the form of a court order from a court competent jurisdiction or a Tax Assessor-Collector Hearing Order, must accompany this application before an assigned number may be issued. (Transportation Code, §501.033)

No assigned number will be issued to any component part for which an identification number was not originally placed by the manufacturer, unless such number constitutes the vehicle identification number of the vehicle in which it is installed.
